

Fall Appeal

Fall in St. Louis brings a beautiful display of nature's colors as the green leaves turn to every color in the rainbow. Our Fall Appeal letter will be in your mailboxes in October. Funds from the Fall Appeal will go towards the purchase in the near future of three new homes for nine people.

Please give generously.

TAX-WISE TIP

If you're at least 70, new tax legislation allows you to give up to \$100,000 directly from your IRA without triggering federal income taxes. The gift will also satisfy the rules for required minimum distributions for the year. There are a few important guidelines that must be followed and it is strongly recommended that you contact your professional advisors. Contact us for more details.

Rainbow Village Commemorates the Ground Breaking of New "Green" Villa for Individuals with Developmental Disabilities

On Wednesday, July 18, 2007, over 80 people gathered in St. Louis County to celebrate the groundbreaking of a new handicapped accessible villa that will house six women with developmental disabilities. This new home will use less energy, water, raw materials, and provide a healthy living environment. Included in the plans are automatic on/off facets, energy efficient fluorescent lighting, skylights, no vinyl or petrochemical dependent products, and high efficiency heat pumps.

Rick Stream; Lydia Rasis, Rainbow Village Director of Operations; Alan Broddon, Board Member & Project Manager; Nancy Parker Tice, Rainbow Village Board President; Charlie Dooley, STL County Executive; Matt Belcher, Chairman STL HBA Green Bldg Council; John Napoli, Chairman-Building, Maintenance & Construction Committee; Rep. Sam Page

The six women have been living together since 1987 in a home on two levels. Several of the women now use wheelchairs or walkers and need a residence that will meet their needs as they age. Each side of the duplex will have three bedrooms, one and a half bathrooms, laundry room, kitchen, dining room and living room. Some of the home's features will include wider doorways and halls, accessible bathroom fixtures, roll-in showers, and accessible kitchen appliances, countertops and cabinets.

Somewhere Over The Rainbow... Dreams Come True

Mark your calendars now for next year's dinner/auction — Friday, April 11, 2008 at the Marriott St. Louis West.

Our 11th annual dinner-auction was held on April 21, 2007 and was a huge success—profits over \$90,000 will help us maintain and make improvements to our 45 homes. Having safe, comfortable and affordable homes for people with developmental disabilities is our goal.
